DEPARTMENT OF STATE A/CDC/MR
REVIEWED BY John Simms DATE 2-26-81
PORTIONS DENIED AS INDICATED

Dear Sir:

A new personality, Deborah Layton, is now being used to hunt Jonestown. With lies she either invented or has been induced to tell. A paper reported she was involved with giving a "grisly ultimatum" from Jim Jones to the Guyanese government three months before she came to Guyana!!

It is a disgrace that such individuals are being allowed to pursue their course of destruction. I am seriously concerned, and I trust the State Department shares the concern.

Yours truly,
